

I am a true believer of democracy. Citizens flourish in democratic environments compared to people under communist and terrorist governments. With this belief in democracy, it is my role to speak out and defend democracy when companies attempt to form monopolies over media outlets such as television channels, newspapers, and radio stations. I am strongly requesting that you LEAVE IN PLACE the laws limiting ownership and cross-ownership of media outlets. Let us not let this democracy be jeopardized in any way because united we stand as a democracy where freedom reigns.
